The perfect place to call home.

Located in beautiful West Olympia, Cooper Point Village offers charming Cape Cod style, single story apartment homes, all with attached garages. Residents will enjoy the privacy of home with beautifully landscaped, private patios and spacious interiors, and the close proximity to restaurants, shops, Farmer's Market, and more.

Our community also features a charming Community Center, complete with a library, full kitchen and entertainment and craft rooms. Residents are welcome to join their neighbors for coffee hour, potlucks and other activities, or enjoy the quiet comforts of independent living in their home. The Community Center is also available for residents to use for private gatherings.

Rent ranges from \$1140-1490 and includes basic extended cable, water, sewer and garbage. We also provide landscaping, which is included in the rent, and have maintenance service onsite three days a week.
